PROFILE

I am a motivated and enthusiastic fresher web developer, eager to kickstart my career in the field. I have a solid foundation in HTML, CSS, and JavaScript. I am passionate about creating dynamic and visually appealing websites, and I am committed to continuously learning and growing in the ever-evolving world of web development. I am a quick learner, a problem-solver, and a dedicated team player, ready to contribute my skills and bring value to any project I work on..

TECHNICAL SKILL

- Proficient in HTML, CSS, and JavaScript
- Experience with front-end frameworks such as React
- Strong knowledge of responsive web design principles
- Understanding of backend development using Django
- Knowledge of database management systems like MySQL and MongoDB
- Excellent problem-solving and troubleshooting abilities
- Effective communication and teamwork skills

OBJECTIVE

- Highly motivated and passionate web developer seeking an entry-level position to utilize my skills in web development and contribute to the success of a progressive organization.
